JUBILATE DEO
(Psalm 100)

O be joyful in the Lord, all ye lands:
serve the Lord with gladness, and come
before his presence with a song.

Be ye sure the Lord he is God: it is he
that hath made us, and not we ourselves;
we are his people, and the sheep of his
pasture.

O go your way into his gates with
thanksgiving, and into his courts with
praise: be thankful unto him, and speak
good of his Name.

For the Lord is gracious, his mercy is
everlasting: and his truth endureth from
generation to generation.

From the Order for Morning Prayer, The Book of Common Prayer

INTRODUCTION

Whilst researching the history of my family, I discovered connections with Delgany Parish. Having collaborated previously on the Bunclody Union records, the recently arrived Rector of Delgany readily accepted my offer to transcribe the registers using a word processor. The registers will be transcribed as a series of volumes covering the period 1666-1900; this is Volume 1 covering the period 1666-1776. It overlaps slightly with Volume 2 for baptisms 1777-1779, marriages 1777 and burials 1777-1778. As with all documents of this nature the original should be consulted to confirm that entries have been transcribed and indexed accurately.

The following specific points should be borne in mind when using the transcript:

Dates All dates have been standardised as follows; day in numbers, month in three letters (abbreviated as necessary), year. Obvious errors are shown in **bold**. Entries up to 1752 follow the Julian calendar.

Legibility and Spelling In cases of doubt, the spelling of surnames has been checked against other entries in the index; variations in the spelling of the same surname have been noted. Indecipherable details are marked with a ?

Additional Information Marginal notes and comments from the Registers appear in the text or as footnotes.

Chronological Discrepancies Entries out of chronological order by more than a week or so are in *italics*.

The Index The index lists in alphabetical order all persons who were baptised, married and buried at Delgany over the period 1666-1779, including those that also appear in the second Combined Register. Where circumstantial evidence points to entries for more than one event for the same person, they have been included on the same line in the index. In the absence of any such evidence they have been listed separately. Abbreviated Christian names have been transcribed exactly as they appear in the Register.

Transcriber's Observations This document is based on the Excel spreadsheets prepared by Mr Brian Gurrin for his book A Century of Struggle in Delgany and Kilcoole (subtitled An Exploration of the Social Implications of Population Change in North-East Wicklow 1666-1779) in the 'Maynooth Studies in Local History' series (Irish Academic Press, 2000). As a result the transcripts and index differ slightly in format.

History of the Church and Parish The recently published Christ Church Delgany 1798-1990 - Between the Mountains and the Sea by Judith Flannery (Select Vestry of Delgany Parish, 1990) is a comprehensive and very readable book on the subject. The details of clergy are based on the relevant lists in Clergy of Dublin and Glendalough by Canon J B Leslie and W J R Wallace (Ulster Historical Foundation and the Diocesan Councils of Dublin and Glendalough, 2001).
